In order to access your MongoDB Atlas (**to view Question 3 – “to print all the data in your MongoDB, including the document created by the UI”**, please grant myself or Professor Fang administrative privileges.

Here are a few simple steps to successfully grant that privilege:

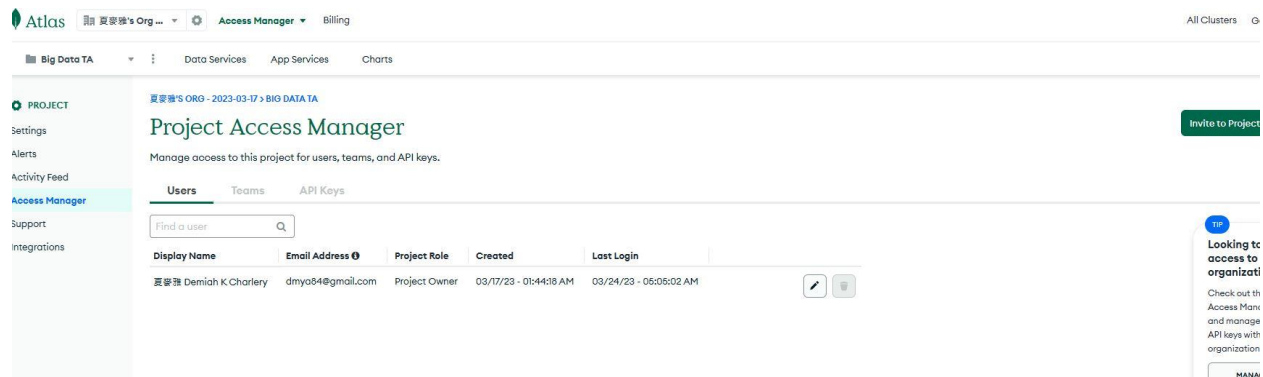

1. Click on **ellipsis (...)** next to your project name (Big Data TA)

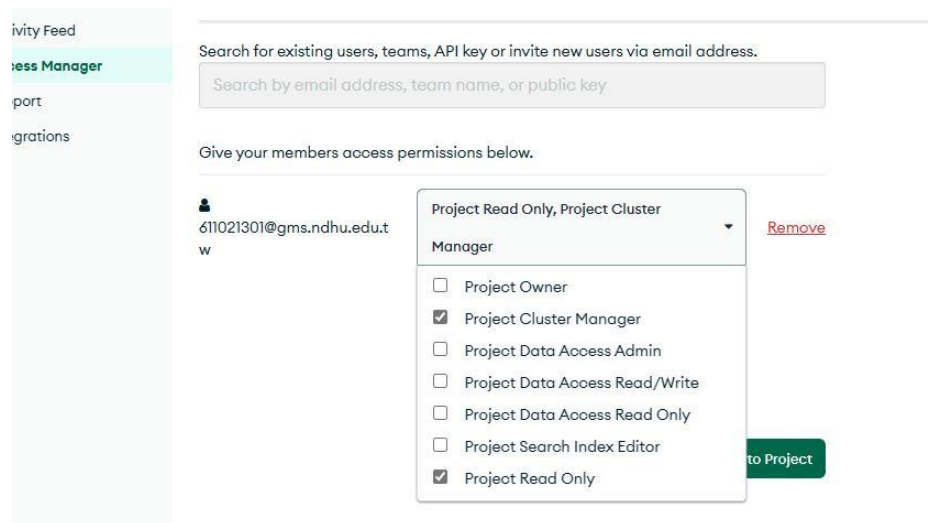

2. Click **Project Support**

3. Click **Access Manager** followed by **Invite to Project**

4. Type in my address 611021301@gms.ndhu.edu.tw, then click the highlighted two options.

Regards!
